Baltimore County Department of Rec. + P.Ks.  
Hennwood High School  
June 24th - Curtain 6:30 P.M. + June 27th - Curtain 6 P.M.

Dear Guests,

On behalf of the Middle River, Stembridge, Back River, and Essex Recreation Councils, supported by the Baltimore County Department of Recreation and Parks, I would like to welcome you to the 17th Annual Tap-Ballet-Toe-& Jazz Recital Program. Tonight you will see only (Half) of the students who are enrolled in this Area's Dance Classes. The success of the program is due largely to the help and cooperation of the Parents of the Students. To these Parents, I cannot express in words how much I appreciate your help, cooperation, faith, and encouragement. You have entrusted to me the education of your child in the "Art of Dance", and I will strive always to see that the students are taught correctly, thoroughly, and the most up-to-date "Dance Education" that is possible. Each child that enrolls in the Tap & Ballet Program will not become a professional dancer or teacher, but in learning poise, grace, discipline, and dignity of movement, he or she will benefit the rest of their lives.

Tonight, you will see on the stage not professional dancers, but Students of Dance, performing their very best to entertain and please you - their parents and friends. The only reward these students have is in hearing your generous applause. Each year this message appears in the opening remarks, and each year the audience responds with much kindness.....

Some of the events of the past year.....

- \*The Marie Frank Dancers, won 1st Place at the 4 National Association of Dance and Affiliated Artists Convention held in Maryland this year.....
- \*Five former Marie Frank Dancers are now teaching, and putting on Dance Recitals this year.....
- \*17 of our more advanced students will be attending the NADAA Dance-A-Rama by the "Sea" Conventions in Wrightsville Beach, North Carolina--August 11-16th....
- \*This year, I will be teaching on the National Dance Faculty in New York City, and also North Carolina.....

Thank you, and I hope that you will enjoy the Recital.....

Dancingly yours, Marie E. Frank, Instructor

PLEASE NOTE-N O-P H O T O G R A P H S-During the Recital, since it is a source of Distraction to the performers and the audience..

## POP MUZIK

The theme of this years Recital, "Pop Muzik", evolves from a popular tune. Popular Music, is for the most part, easy to listen to, and also, the children learn their difficult movements and routines to music they know more quickly and enjoy their dancing more. However, you will see, that in Act I, Ballet-the Dance Students are introduced to the Classical Variations that form the core of technical achievements. Act II, Jazz-will feature popular songs of Todays' Generation. Act III, Tap-will feature Oldies, but Goodies, with a Salute to our Great Nation.....America-The Greatest Country in the World.....Thank You.

### About the Teacher

I have been dancing for 31 years. This is my 21st year as a Dance Instructor, of which the last 17 years have been teaching for the Middle River, Back River, Stembridge, and Essex Recreation and Parks Councils. I am a member of the National Association of Dance and Affiliated Artists. for 12 years, I was Secretary-Treasurer of the Del-Mar-Va Chapter. For the past 3 years, I have served as President of this Chapter. This Dance Teacher-Student Organization, holds 4 sessions locally, at which time the Teachers and the Students receive instructions from Dance Teachers from all parts of the Country. I also enjoy doing guest teaching appearances for different local and national dance teacher associations. Some of my students have been very successful in Teen-Talent Competitions, as well as becoming dance teachers, also. I try in my teaching to train the whole person and not just the physical aspect of the dancer. Dancing is a discipline exercise, but it must be done with the mind and most importantly the heart.

### In Closing

The recital has been presented, and we hope that you have enjoyed it as much as we have enjoyed working on it's creation for the last many months. There are many talented people who have generously donated their time, talents, and efforts to create an experience the dancers will long remember.

First of all the Room Mothers, because they were willing to give so generously of their time and patience, to see that all of the students have had a very pleasant and rewarding recital.

### Thank You
